

Aurora Bikes Employee Handbook

(Fictional company — evaluation fixture only)

Company Overview

Aurora Bikes Inc. is a fictional bicycle manufacturing company used solely as a test fixture for this project's retrieval-accuracy evaluation.

Aurora Bikes was founded in 2014 and is headquartered in Boulder, Colorado.

The company currently employs approximately 340 people across two facilities.

Paid Time Off Policy

Full-time employees accrue 15 days of paid time off (PTO) per calendar year.

PTO accrues monthly at a rate of 1.25 days per month.

Unused PTO may be carried over into the following year, up to a maximum carryover cap of 5 days. Any balance beyond the cap is forfeited on December 31st.

Remote Work Policy

Aurora Bikes operates on a hybrid work model for all corporate (non-manufacturing) staff.

Employees are required to work in the office on Tuesday, Wednesday, and Thursday each week. Monday and Friday may be worked remotely.

Exceptions to the hybrid schedule require written approval from a director-level manager or above.

Expense Reimbursement

Business expenses must be submitted for reimbursement within 30 days of the expense date. Submissions after 30 days will not be reimbursed except in extenuating circumstances.

Any single expense exceeding \$500 requires prior written approval from the employee's direct manager before the expense is incurred.

Reimbursements are processed on the 15th and last business day of each month.

Parental Leave

Aurora Bikes provides 12 weeks of fully paid parental leave for eligible employees following the birth, adoption, or foster placement of a child.

Eligibility requires at least 6 months of continuous employment prior to the leave start date.

Parental leave may be taken in one continuous block or split into two blocks within the first 12 months after the qualifying event, subject to manager approval.
